Welcome to our April 2024 **NEWSLETTER**

PRESIDENT'S REPORT 2024 – PHILIP COHEN

Welcome to the April 2024 ANZROC(NSW) Newsletter, thanks to the efforts of our Secretary Graeme Bool and IT Officer / Editor Craig Smith, both who have put many hours of their time into collating all the information provided by members and also the regular items each month.

It was pleasing to see such a good turn up of 47 members for our April lunch. All the feedback received from those attending was positive with nice food and the interaction with old friends from the past. It also included two new members attending for the first time. Welcome to Jenny Crouch and Ivan Radovnikovic, with the latter providing us with a brief history of his time in the Bank.

The development of our new website is progressing nicely. On the 11th April 2024, six members of the Committee attended a presentation and training session by three of the Bank's IT specialists from HQ in Melbourne held at the Bank's 242 Pitt St., Sydney Office. The training lasted over 2.5 hours and I believe all of us were impressed with the input and the many hours involved in the website's development. It is hopeful that the website will be live within the next month. Members will be advised further in due course. Many thanks, also goes to Craig Smith for the many hours of his time taken liaising with the Banks IT specialists at HQ Melbourne.

Thanks also goes to Committee Member Tony Schembri who is preparing a list of possible future social functions. Details to be provided in future newsletters.

Hopefully, we will see you at the June 2024 lunch. Look for the information in future newsletters.

Cheers

Philip

A BIT OF HUMOUR TO BREAKUP THE NEWS

The General and The Captain

A General and a Captain walking down the street passed a number of soldiers, and each time one of them saluted the officers, the Captain saluted back and said, "The same to you."

"Why do you always say that?" the General asked the Captain.

"I used to be a Private, too," said the Captain, "and I know just what they are thinking."

The Victim

"Are you wounded, mate?"

Victim: "D'yer think I'm doing this fer fun?"

Camouflage Training

The Sergeant Major growled at the young soldier: "Why weren't you at camouflage training this morning?"

"I was there, sir," answered the soldier.

"I didn't see you," returned the Sergeant Major.

Lost Rifle

When I was in the British Army, I lost my 303 rifle. I said to my Sargent Major, "Sarge I have lost my rifle!" Sarge said, "That will cost you 3,000-00 pounds son!" I then said, "What if I lose an armed personnel carrier?" Sarge said, "That will cost you 1.5 million pounds!" I then said, "What if I lose a Chieftain Tank?" The sarge replied, "That will cost you 4 million pounds son!" I then said, "No wonder Captains go down with their ships!!"

WELFARE REPORTS

PHIL COHEN.

Quick calls to some of the HONS who have birthdays in May 2024.

Betty Brown

Health not too bad. Normally plays tennis and attends Gym regularly, but due to problems with skin cancer treatment has had to curtail these two activities. But hopes to get back regularly when treatment completed. Betty was at our April lunch and confirmed she had an enjoyable time catching up on old times. No complaints about the food, which she indicated was most enjoyable.

John Clark

Spoke with John with whom he and I worked together in the Bills Department at the old Martin Place and George St, Sydney Branch. Health good. Plays bridge two days a week. Also keeps busy helping his son at his hobby farm at Fitzroy Falls 1-2 days per week. John only recently returned from a trip to Hong Kong, where he went to watch his daughter in law play in the rugby 7 tournament where the team came 3rd.

Jenny Lennox

Health good. She is a full-time carer for her husband. Attends Probus Club meetings each month plus their other activities. Also enjoys attending the entertainment at the Entertainment Centre at Sutherland. Also meets up every six weeks or so with ex bank staff from the Cronulla Branch where Jenny use to work.

Con Lucas

Unable to make contact even though I left a telephone message. Also, email undelivered. If any member is aware of Con's current status can they please advise Club Secretary.

Pixie Paul

Had a short conversation with Pixie and she confirms she is "OK".

Ann Morgan

Welcome to the HONS in May 2024.

Spoke with Ann at the April lunch. Health must be good as she is very active with Zumba Classes two days a week, Art Classes one day and Exercise Classes every Tuesday. Keep it up.

Joan Ryan

Health all good. Bowls one day a week. Also swims every Sunday at the Manly Diggers Swim Club and recently attending a swim meet at South Port Qld.

Alan Single

No problems with health. Moved into a Retirement Village in January 2024 and just getting orientated with all the daily activities. Recently returned from an eight-day cruise to Tasmania and Kangaroo Island.

Wilhelmina Smith

Health all good except for a few aches and pains at this time of life. Enjoys her garden and walks regularly. Meets up with friends each Monday at the local club for trivia and then lunch and a chat.

Evan Summerson

Health still good. Still plays golf two days per week but uses a cart to get around as the course is a "bit rough". Still drives. Has a son who helps out with jobs needed around the house.

John Widerberg

Unable to contact John after 3 attempts. The mobile number we have on record appears incorrect. John, please advise Graeme Bool of correct mobile number for our database.

TERRY AULD

Bob Boys

I spoke with Bob's wife Eileen who advised that Bob had been in Hospital for five weeks and is now in the Hospital section of an Aged Care Facility.

Eileen advised that Bob has Parkinsons Disease and early-stage Dementia and is not allowed home. She advised that the nurses at the facility are very professional and cheerful, and he is being well cared for.

Wendy Keys

Wendy advised that she is keeping well as long as she takes her medication. Advised that she injured her back a few years ago and nowadays relies on her walker for her mobility.

Wendy worked for 39 years with ANZ. A career which included working in General Banking, ANZ Travel and Bills Department.

Enjoys the monthly newsletter but is sad to read that so many of her former colleagues have passed away. Keep well Wendy.

Kevin O'Connell

Kevin advised that he is keeping well and still plays competition golf 3 days a week. His handicap has decreased over recent years, but he still managed to win the Thursday competition a few days prior to us talking.

He & Wife, Margaret, downsized residence 12 months ago when they moved to Moonee Beach, which I understand is near Coffs Harbor. All the facilities they require are close by and they are both enjoying the change.

Digby Milne

My initial attempt to contact Digby failed due to a connection failure. However, an email prompted a quick response with both a new number and also a brief email with a recent update.

Digby thanked the club for his Birthday Card wishes and expressed what it meant to have old colleagues keep in contact and especially as so many of his former colleagues & friends have passed away.

He advised that he is generally keeping well but his mobility is less now. He is still doing his scroll saw work, a few examples are included below, and he walks when weather allows.

He and Marion will drive to the Hunter Valley in May for their annual wine tasting excursion but will do the drive over four days.

He sent best wishes to all his friends in NSW.

I telephoned Digby to confirm the new number.

Hello Graeme.

A line to thank the Club for my birthday card. Not many received these days as they seem an old-fashioned means of communication. At any rate it was very much appreciated.

I was sorry to hear of Roger Fenton's passing. I well remember on one of my rare visits from St James's to Minerva House in 1991 he asked how the Private Bank was performing. I started to say how things would be in 12 Months. At that time, following a credit inspection, we had some pretty horrible assets on our books. He very simply said he was only interested in the next six months as the Bank might not be there in 12 Months.

Thank you for the card for my 88th birthday.

Have been keeping well, busy with local fauna and flora.

We have Koalas, kangaroos, and kookaburras with an occasional echidna, so needed to plant more trees for food and shelter. Life is quiet and slow but rewarding.

Regards Stan Doyle.

Brian Thompson wrote: -

Hi Graeme,

Many thanks for the contact by Phil Cohen on my 80th birthday. I have attached a summary of my activities since leaving the bank together with a photo taken in 2020 when I was awarded Life Membership in Lions. I am living life to the fullest and never expected to turn eighty, given that I survived bowel cancer at 48.

I hope to get to the April meeting now I am free of most of my obligations.

Since retiring from the ANZ in February 2000 on health grounds, my wife Dell and I sold our Sydney home and bought a home in Ulladulla. The decision wasn't easy as I had multiple health problems which required me to return regularly to Sydney for treatment.

Since arriving in Ulladulla I have been a member of the Lions Club of Ulladulla Milton. Our club is very active in community projects. I became heavily involved with the formation of a community foundation (Lions Ulladulla District Community Foundation) whose charter is to provide accommodation for the disabled and disadvantaged. The foundation is unique, in that its membership comprises representatives of other service clubs, Rotary & Apex.

Our first project was to build a disability respite house which cost \$768K, we completed the project in 2018 within budget. The house is called "Jindelara Cottage". The foundation has just commenced a second project, to build another disability facility to provide permanently accommodation for the disabled including those who are severely disabled. The cost of this project is \$1.68 million and is already fully funded. I facilitated the first build but because of my deteriorating health have someone else facilitating the new build. We acquired land for the new project from the Shoalhaven City Council who sold us the end of a road which adjoined the Princes Highway but was closed off to traffic. The purchase price was \$1.

I was awarded the "Lions Clubs International Presidents Medal" in 2019, for my involvement in the "Jindelara" project and Life Membership in Lions Clubs International in 2020. In 2020 I was also awarded the "R.J. White Service Award" for 2019 by the Westpac Group Alumni in recognition for my community service over an extended period. Because I served 26 years with Westpac before joining ANZ, I am a member of that group's retirees club in addition to ANZROC. I noticed recently that Allan Gibson OAM is also a member of both groups.

During the "Black Summer Bushfires" on the South Coast in January 2020, I was asked to administer a Lions recovery fund for victims of the fires between Nowra and Mogo and as far west as Braidwood. This entailed leading a large team of Lions who, together with myself were to visit the devastated areas and offer immediate relief to victims by purchasing goods with funds provided by Lions Clubs International Foundation and Australian Lions Foundation. In recognition of my involvement, I was awarded the Lions Clubs International, "Medal of Excellence" in 2021.

In 2001, I was also recognised by the NSW Government for my service over 50 years as a Justice of the Peace, although Covid prevented the presentation until 2022.

I play a little golf at the Mollymook Golf Club but spend a significant amount of time with medical appointments related to my Multiple Sclerosis and other ailments. The MS has severely impacted on my golf game; however, the exercise is mandatory for my wellbeing. I walk daily.

Regards, Brian

Geoff Minett wrote:-

Hi Graeme

I would like you to convey many thanks to the ROC and especially Phil Cohen for his phone call and Card on my 14/4 birthday.

My history in the ANZ Bank:

I commenced employment with ANZ at 2 Martin Place on 7/3/1960 and was sent to George and Liverpool Streets Training College, and then posted to Manly Branch for 4 years then to Dubbo, Wellington, Wollongong, Bega, Mudge, Bathurst, Orange, Muswellbrook, Wee Waa (Cotton Industry), Moree (as Agi Bureau) and finally to Tamworth doing insolvency with two Tamworth Solicitors and two Sydney Barristers. I retired from the Bank, took long service leave, and worked for Allan Nicholls and Co Chartered Accountants of Wagga Wagga, Dubbo, Tamworth, and Lismore for 2 1/2 years and 24 years ago retired with Georgia my wife to Macksville NSW, our hometown but of course knew no one.

Why I have listed my experiences, by living 40 years in different place and being the youngest in my family, all I have left is one cousin (85 years) and two 2nd cousins which I have seen once. Plus an Uncle to 3 child of my late Brother who live in Queensland.

Therefore, it is a great pleasure to receive the ROC each month to catch up on past work mates etc., who are really "my family" now.

Thank you sincerely,
Geoff Minett OAM
