## Welcome to our August 2022 NEWSLETTER

### CLUB UPDATE

Big welcome to all Club members for our August 2022 Newsletter.

### PARTNERS LUNCHEON APPRENTICE RESTAURANT ULTIMO TAFE

During August we had planned after 3 years to have our Partners Luncheon at Apprentice Restaurant Ultimo TAFE on Thursday 18<sup>th</sup> August, and with strong bookings from members & some partners we were looking forward to an enjoyable & relaxing luncheon after nearly 3 years of Covid lockdowns.

All was good up until the weekend before until the ever-ongoing Rail strike position deteriorated substantially and it became obvious on the Monday that position would not improve by the Thursday, the Club made a decision to defer the luncheon to a future date.

There was total chaos with public transport on the Thursday & several members who had booked advised they would not be willing to attempt to travel into the City on that day.

We immediately negotiated position with Apprentice and whilst their T & C clearly state no refunds within <14 days of luncheon, they fully accepted position and allowed us to defer luncheon to a date in coming months, which we appreciated.

Accordingly, Partners Luncheon at Apprentice Restaurant Ultimo TAFE has now been rescheduled for Friday 21<sup>st</sup> October and full details and booking arrangements will be detailed in September Newsletter.

Keep fingers crossed that the rail dispute will be fully resolved by then and members who wish to attend luncheon can do so.

### CLUB BI-MONTHLY LUNCHEON BOUTIQUE HOTEL CITY

Looking at our Bi-Monthly luncheons at The Boutique Hotel City, our next one is on Monday 19<sup>th</sup> September and Notice with full details and booking arrangements are on the last page of this August NL.

The Club is looking at other social functions in coming months & into next year, and once these have been approved by the Committee full information will be recorded in monthly newsletters.

Members your committee is working on keeping members informed when luncheon & functions are arranged so stayed tuned and watch for details in monthly newsletters.

We thank members who continue to forward in photos & news items for our newsletters.

Please stay safe & look after yourself and for those members who can attend, we look forward to seeing you at our Bi-Monthly luncheon at The Boutique Hotel on Monday 19<sup>th</sup> September.

I was lucky enough to phone on his son's mobile when he was visiting his father in hospital.  
He was pleased to get the call and remembered that he had once been on the ANZROC committee.

I am very sorry to hear that he passed just over a week from when I spoke to him.

The day I spoke to Bob they both had a walk by the beach. Hopes to organize a get together of local retired ANZers in Coffs Harbour of which Bob believes there are about 18.

### **Garry Attewell**

When I spoke with Gary mid-August, he tells me he had a fall a little way back. Needed stitches above left eye and has had a few visits back to hospital since for monitoring. But has now been given the, all clear. Enjoys gardening and had to give up golf a few years ago.

Just heard about the sad passing of David (Dave) Fleming of Allambie Heights.

No doubt good friend, club member Barry Smith will provide finer details when available.

A very sad day.

Kind regards. Doug R.

Hi Graeme.

Now 90yrs old, I think back of the many colleagues with whom I shared good times and memories, including Dave Fleming, and regret not knowing their domicile or contact details to reminisce with, or speak to in times of declining health. Dave was always one of those fellows that always displayed a happy disposition. Unfortunately, I am not able to attend his farewell service on Thursday. Vale Dave.

Hi Graeme.

Sad to learn of the passing of Dave Fleming, he was a great character and highly dedicated and professional officer.

Although we never worked together, our paths crossed on many occasions, discussing matters of mutual interest when he was the Head of the Overseas Department at Royal exchange Branch, and I was attached to International Dept/ Division. I valued his opinions and friendship over the years.

Vale Dave. Thanks Graeme. kind regards. Warren

**Ron Miller wrote: -**

Sorry to hear that David has passed. A sad loss, but a good innings, I remember him well.

He was a great bloke and highly regarded by all who knew him.

Unfortunately, I have specialist appointments and will not be able to make the funeral.

Hi Graeme.

Sorry to hear about Dave.

I worked with him when he was 2IC of the Bill department and I returned from the London office where I worked in the Bills Dept handling all the drawings under Letter Of Credit for wool imports etc. He was always calm and relaxed and had a somewhat sardonic sense of humour. I remember Heather as well, I think she was the Branch Manager's secretary and was always pleasant.

Graeme.

Many thanks.

Particularly interesting reading this month, I note the photo of Fairfield Branch in 1953.

Such featuring one William Michael (Bill) Deasy.

Bill was a terrific fellow.

Via his Audit etc work etc. he told me he'd worked in hundreds of our branches.

His last role was Manager Rosebery branch.

Bill sadly passed away at home in 1983 whilst on leave, such coming to light when he didn't come to the Branch on his first schedule day back. He'd often come up to South Sydney Area Office to join us for a beer at Abbots Hotel with Alvin Maple and various of us.

We celebrated St Patrick's Day at The Lakes Hotel with him earlier that year.

I was driving through Rosebery a few years ago, took a wrong turn and saw the beautiful Catholic Church there and it immediately struck me " that's the church Bill's funeral was held at".

As I say, a terrific fellow.

All the best.

Mark.

Hi Graeme.

Didn't expect to write again so soon.

Lovely however to hear from Hon Lindsay McFadyen who retired from the Group in 1995, his last post being at Esanda, Credit Control, North Sydney.

I had a little to do with presentation of his "gold watch" upon his achievement of 40 years' service, a milestone which is probably a rarity in this day & age. So glad to hear that he is enjoying good health & life on Hope Island.

Very best wishes from your old work mates.

Hello Ron,

Thanks for my 90<sup>th</sup> birthday card.

Unfortunately, both Pam and myself have Covid 19, and we have had to cancel all celebrations today with family and friends.

Also, a carpal tunnel operation on my hand booked next Thursday.

I have received emails and phone calls from some old work mates but have lost several treasured friends due to my own longevity.

Retired mates have mentioned that the only time we read of retired friends is through the monthly newsletter report on health issues or deaths, not knowing while they are alive where they live or any contact numbers.

Why can't we have at least a list of members and a phone numbers. We would only have to canvas through the newsletter those members willing to consent for inclusion. Those not interested need not participate.

I am a past foundation member and president of a probus club where we hold and issue regular updates of the addresses, emails, and phone numbers of 185 members, which enables them to keep in touch with events and sickness.

Graeme Bool has asked for a story on my working career spanning 62 yrs from 15/2/ 1949 to 2011. On a condensed basis it now runs to 1.1/4 pages.

I was speaking to my old friend Bill Kynaston yesterday in Perth, now 96 years old, and he suggested I include two confidential happenings going back over 60 years, where people involved (names not mentioned) have since passed on. He suggested I should write a book on the many happenings during my career (particularly my time at King's Cross) that no other bank officer would ever experience. I will think about it!

Ron, I worked at Barclay's Private Banking but do not know how to spell Aamon Byrne, Amon Byrne, or Eamon Byrne, that hired me. Can you help?

When I finish my story, I will send you and Graeme a copy which you may wish to reduce only to cover the period I worked at ANZ.

Cheers Ian

Ian also added the following resume of his long banking career which is on the next 2 pages of the NL

**November 1969** Appointed manager Yagoona. First morning greeted by branch customer in vintage car, who drives up & down Hume Highway tooting his claxon horn and calling out "Meet the new bank manager".

**8/12/1970**- Branch teller, Angelo Briganti held up by Bernard Mathews, escaped cell mate of Darcy Dugan. Digby Milne was Accountant. Customer in my office, (after hiding under my desk), fines me at Rotary for taking the office revolver, chasing the bandit, and leaving him in charge of the branch. Staff member says, "boss have you ever tried to get under a lino tile," **and the bank rewarded Angelo \$50.00 for giving cash and revolver to Mathews!!! Must have been a tax deduction!!**

**1971** Purchased barber shop next door to expand branch to merge ES&A Yagoona. Swapped branch with Manager at Cabramatta. Asked admin, why was I demoted? Responded, my transfer was an error and moved me to Administration as Lending Manager South Coast region.

**1973** Assistant Manager International S (P &H).

**1974-76** Assistant Manager H/O Martin & Pitt. (John Penn Accountant- Keith Venn, Manager)

**1974/75** As ANZ Staff Club President, over a bottle of scotch and a handshake, purchased from the vender 6 x two-bedroom holiday units at North Haven for \$68,000 for staff use. (Served second term as President 1978/9).

**1976-1980** Manager 156 Castlereagh St-**Tendered resignation 8/8/1980 to State Manager.**

**NOTE**-On one occasion a branch cleaner said "Mr Boss come with me to girl's room. Points at couch and says, Man who sits there and lady that sits there, Last night at 8 o'clock, On the couch Boss!" I thank cleaner, and said I would deal with it, when he says," But Mr Boss, last night at 10 o'clock, the man that sits there, and lady from there, (hands going up & down) also on couch "

Bloody hell, who is running the roster, more importantly, how do you get on it.

Now these gymnastics are difficult to document, so phone admin' to discuss matter on confidential basis and to transfer two staff.

Five minutes later the phone rings, and amongst much laughing, " Auldy, are you running a bank or a brothel?" My confidential storey has just been related at a state Regional Manager's Conference!!! None of branch staff aware of matter. Staff transferred, problem solved, key access restricted.

.....  
**Sept 1980**- Purchased West Gordon Supermarket as family business.

**1982**- Sold Supermarket 18 months later when head hunted to join merchant bank, Australia International Finance Corporation Limited, as Senior Manager Loans Administration.

**1985-89**. Again, head hunted to assume the same position with Midland International Australia Limited. (Employed John Reading on his retirement from ANZ.) All staff made redundant when Midland closed and returned to London.

**Week later**, Eamon Berne offers me position of Senior Manager Lending, Barclay' Private Banking, Pennant Hills. (Casual staff-John Nicholson /Brian Branscombe). Four years later St George Banking purchased Barclays. Did not wish to travel south, so I retired.

**1994**.Appointed a director of a friend's family investment company. Bill Kynaston now aged 96, was also a director. August 1997, upon death of the principal owner, became Managing Director and carer of the wife as sole shareholder. Business closed 2011 upon her demise.

**Finally retired having worked 62 years.**

Now reside Anglicare Retirement Village- 6/35 Western Rd, Castle Hill NSW 2154 Ph 88501202.

### **Banking is a serious business-or is it? -IAN AULD July 2022**

I wish to thank the Committee for my 90<sup>th</sup> birthday card and thank you all for the great informative work you all do to turn out a regular monthly magazine that engages us with the happenings of present and former workmates.

.....  
You asked for my storey, and I have included some confidential happenings which occurred over 50/60 years ago. Due to the passing of time, individuals, or branch identification etc, I can now mention some events. As a senior executive once said to me, you should write a book, as they did not know of any other banker experiencing events I had to deal with during my career, especial at King's Cross. Just a few get a mention. Who knew we had a fulltime brothel upstairs at King's Cross??

My career commenced through my father, the OIC of Coonabarabran police, obtaining applications from the four local banks in 1948 who all accepted me for employment. The Union Bank of Australia Ltd was the only one that had a local vacancy where I could live at home.

**Commenced work on 15 February 1949.** One month later father was transferred to Sydney, and I was left boarding with the local constable. Six months later, transferred to Crow's Nest, which branch accountant, tried to convince me was 200 miles west of Broken Hill.

**August 1949**-Returned home in Earlwood, Tram to Marrickville Station, train to Wynyard and tram over the Harbour Bridge to Crow's Nest resulted in early transfer to Oxford St.

Here, John Nicholson arrived from Newcastle and with no accommodation moved home to live with me for three years.

**1950-** Transferred to Union Bank, Burwood branch where, following merger 30 Sept, the next morning I was sent to the Burwood branch of the Bank of Australasia as ledger keeper.

**1951- 54** NSW Administration, Cnr-George St & Martin Place- Merger Securities, discharging former branch bank's mortgages, and registering new ANZ documents. Then 2 years Advances Department.

**2/3/1956-MARRIED-** Bill Greene was best man- "LADIES & GENTLEMEN, IT GIVES ME GREAT PLEASURE TO PROPOSE THE TOAST TO THE BARMAIDS"-Dick Hughes -Groomsman. Roger Hickman Church usher.

**Years 1954 to 1966** worked at-156 Castlereagh St, 377 George St, -both Newtown branches, Camperdown, Church St Parramatta, S (P &H) as Securities Clerk, then as Tim Caldwell's Manager's Clerk. - 6 months Metropolitan relieving Staff, 6 weeks Wee War when Cotton established in Australia

**S (P &H)** -Observed staff member with mirror in hand looking up uniform of female standing at my desk. Given the option of resigning or referred to the police, he chose the former.

**King's Cross 1966-9.** After an anonymous telephone call and identifying the branch typist working as a prostitute outside the bank, I requested, but she refused to sign a resignation form. The manager left me the task of informing her she was immediately sacked. When I notified Staff Dept' of my action, I was informed only the General Manager could sack staff. My promotion obviously got lost in the mail??

Opening accounts for two" working" girls. First girls' occupation-" Mattress Actress". Second girl, "Nurse! Do they have a hospital around here?"

Late one Friday, young officer arrives with transfer letter from Staff Dept' Melbourne stating he is renting in King's Cross pending parents settling house sale and coming to Sydney. Contact our Staff Dept' who know nothing about this appointment. Will check on Monday. On Monday no sign of the lad. Send senior officer to locate him only to find him highly drugged and tattooed. Contact Personal and Darlinghurst police in an endeavour to ascertain when & where this happened.

Sadly, never learnt the result, other than be told the lad resigned from joining the bank.

Thank you, Ian, for this wonderful & interesting resume of your banking career.

It will certainly stir many memories for those mentioned.

All the best.
