WELFARE

John Lipczynski has recently (August) had a double lung transplant and heart bypass. He is recovering at home but requires regular trips to his specialists and hospital on a weekly basis for monitoring and post transplant care. John's wife Sheryl (nee Starkey) also a former staff member (joined in Taree in 1967 and met John in Canberra in 1968) is essentially John's full time carer. They were both quite excited at the prospect of getting to the ANZROC Christmas function and very grateful for the efforts made by the Bank to facilitate their visit but regret that a last minute medical procedure spoils their best laid plans.

Frank Mills together with his wife Shelby have membership applications on the way. In the meantime many who have worked with Frank in the past will be concerned to learn that in "2006 Frank fought his first fight with prostate cancer – from which he recovered well, but we are fighting another battle at the moment with colon cancer. We've relocated temporarily to the Gold Coast to be closer to medical treatment. He spent 8 weeks in hosp. undergoing chemo and radiotherapy. On the 16th he undergoes surgery to remove the tumour and then another 4 months chemo. Shelby says they are both attacking this latest set back with a very positive attitude.

Sick List:

- **Denis Lickley** – spent time recently in hospital with a leg ulcer which he has had for several months. It is giving him some grief but he is at home and receiving attention from the community nurse.
- **Barry Smith** – Barry had a fall which resulted in a broken nose and, somewhat more worrying, a fractured vertebra in his neck. He will be wearing a neck brace for some weeks.
- **Jack Thoroughgood** – we've received information that Jack is in hospital, but no details as to his circumstances. Jack was of course the subject of my report back in November when he celebrated his 103rd birthday. Best wishes Jack.
- **John Freedman** – Denis Lickley spoke with John recently and reports that John still has some after-effects from his stroke in 2013, but he is getting on with life and enjoying it.
- **Ken Hill** – Ken had open heart surgery recently, and he is reportedly progressing well. Best wishes Ken.

I made contact with the following people, who enjoy the esteemed title of Honorary Member, to check up on them in their birthday month and to extend birthday wishes:

- **Ray Allen (85)** – still living in Canberra and going along OK. His two sons and grandchildren are also in the area so he has quite a bit to do with them.
- **Noel Chie (85)** – improving steadily, and joined us for our January lunch meeting
- **Arthur Crittenden (80)** – he is in pretty good shape, although he said he has the occasional discussion with his doctor about weight and alcohol intake. He enjoys his golf games a couple of days a week.
- **Noel Dirou (84)** – going well in Bowral. He is mobile enough but getting to our meetings would be a bit of an undertaking.
- **Bill Kynaston (89)** – recently attended his grandson's wedding at Darling Point. His health is good (including the aorta valve replaced about 14 months ago). Bill extended his regards to all.
- **Bob McEwan (86)** – he is managing his pulmonary fibrosis satisfactorily, and once again he joined in the goings-on at our January lunch meeting.
- **David Scott (88)** – he was at our Christmas lunch and seemed to be in fine fettle.
- **Theo Yardley (87)** – he is doing alright, but his social (and other) activities are curtailed somewhat because of commitments to his wife who is confined to hospital. Sent best wishes to members.
- **John McAnelly (83)** – he is OK and it was nice to see him at the January lunch. He is test driving new hearing aids at the moment (but doesn't actually need them!).
- **Ross Richards (95)** – has had some lower back problems, but he's OK. He recently obtained a 2-year renewal for his driver licence, and celebrated his birthday with a drink and a good sleep!
- **Trevor Leck (99)** – Trevor said he is slowing down (I think he's entitled to!!), but he is kept busy visiting his wife who is in nursing care at Carlingford. Trevor still lives at Lindfield and gets good support from his two daughters. He has been a good supporter of our lunch meetings and said he would like to catch-up with us again soon.

- **Harry Brookes (84)** – travelling well. His wife’s hospitalisation took quite a bit of his time but she is OK now. He said he was interested to read about Jack Thoroughgood who recently celebrated his 103rd birthday – Jack interviewed Harry for his job in the bank. He is committing some old work related photographs to computer files and is happy to make them available for the ROC newsletter.
- **Doug Canavan (83)** – in quite good health. Still playing tennis on Mondays. Doug was doing some house painting when I phoned.
- **Dick Hughes (82)** – Dick unfortunately was unavailable when I phoned, but his wife Margaret said he has good days and some not so good. Best wishes Dick for the year ahead.

There were some members on The Hons Birthdays lists for both December and January with whom I unfortunately could not make contact. Best wishes for the year ahead to all those I missed.

Ken subsequently advises... “I phoned Alan Deveson. He is in good health, and I plan to call around to see him soon (he lives in Charlestown). Alan was my first Accountant away from home (at South Wagga), so I’ve known him for quite a while. “

WHERE ARE THEY NOW

We are having trouble keeping in contact with Gordon Bennett’s widow can anyone help with current contact details.

Re EX ES&A Staff Member **MR. MILES BRECKENRIDGE**.

Our Club recently received an email from Stephen Breckenridge who is the son of the late Miles Breckenridge who was Manager ES&A Macquarie Place Sydney at merger in 1970 and who retired from there on 13 February 1971. He sadly died shortly thereafter in 1973.

Stephen is now writing his family history, much of which includes details of his father’s employment with ES&A Bank (and a little bit with ANZ) and he would like to make contact with anyone who may have worked with or knew his father whilst he was in the Bank.

Stephen says his father commenced working for the Bank on 13 February 1926 until 1941 when his service was interrupted by World War 11. After the war ended he spent some time at the Repatriation Hospital at Concord and then rejoined the Bank until his retirement.

Stephen would like to know (if anyone knows) which Branches his father worked at immediately prior to joining the Army and immediately after he was discharged after the War. He is also keen to know if anyone can confirm that Miles was at some stage on the staff at Broken Hill Branch.

So if any of our members can be of assistance to Stephen please contact Mike Cunneen by email, post or phone. Mike’s contact details are shown on the masthead of this Newsletter.

Below is a photo with Miles Breckenridge in it.....plus a few others that I can recognise....Can anyone else recognise any others in the photo.....(Please let Mike know if you can help with any namesEd)

DECEMBER LUNCH

1st December 2014 Christmas function:

This function was fully subscribed and those 120 attending at 242 Pitt Street Sydney had an enjoyable day. Formalities were kept to a minimum with President Phil Newsome welcoming those present and introducing ANZ Board Chair David Gonski AC who spoke briefly on the probable 3000 years of accumulated experience in the room, the efforts of those present during their careers and the building blocks they contributed to the business being as successful as it is today. David Gonski's sentiments were well received by those present and we were fortunate that he was able to fit our gathering into a very busy schedule. Mark Monaghan spoke as The Hon Warwick Smith's representative and mentioned his fairly regular contact with the Committee when we gather to send out the Newsletters. He thanked the Committee for their contribution to the Club and the benefits the Newsletter provides to its readership Mark also made mention of the large number of members he knew in the room and the unfortunate passing of many old friends and colleagues. The guests were then left to their own devices and if noise levels are any indication, a good time was had by all.

APOLOGIES: John Nicholson, John and Sheryl Lipczynski, Noel Bottrell, Paul Jacka, Jim Richardson, and Ken and Dot Johnston

President Phil and the Committee wish to express their gratitude to Lee Blundell and her Staff team whose hospitality on the day was superb. We also acknowledge the unstinting support afforded the Club on this occasion by the ANZ Bank at a national level through the efforts of the Chairman David Gonski AC and the CEO Mike Smith as well as Roger Munday, at a State level The Hon. Warwick Smith and his team with a special mention to Mark Monaghan, Jasmine Antonious and Amanda Clarke

CORRECTIONS

The Hons:

We overlooked Dick Hughes' honorary status back in January 2013, it must have something to do with your youthful appearance Dick, our records show the correct status, just the notice to members slipped under our guard. Also overlooked was Ian McLachlan of Castle Hill in August of 2014. Please forgive us our omissions gentlemen, the age of computer is not all it is cracked up to be it seems! That is our scapegoat for the moment in any event!!!

And we have done it again and let Alan Deveson slip under our guard as an omission from the "Hons List" way back in Jan 2011. A heartfelt apology Alan, at times like this we normally blame the computer, but it is so long ago we can blame memory loss as the reason for not finding an appropriate excuse.

SOCIAL/SPORTING

SCG Tour and Lunch is on, at 11:15 am 3rd February 2015. Expressions of intent to our Minister for Good Times Alex Morgan or Secretary Reg Smeaton please as soon as possible as numbers are required by the SCG Trust Guide. We meet as below on the day. Too late for those on snail mail unfortunately, but those with access to the blogsite will hopefully get this reminder in time.

Meeting Point for the SCG Tour, Venue Services Entry, in front of Allianz Stadium at 11.00am. Please bring change to pay for your food, and the Tour Cost is \$10 per head.

26th November 2014:

Our mid North Coast chapter held their Christmas luncheon at Port Macquarie. The gathering was attended by 23 members or partners. It was enjoyed by all present and special thanks go to the organizing skills of Ann Pereira who makes that extra effort to have a happy experience for all, from the Christmas décor on the tables and the Christmas-style menu to the small gifts for all present. Thank you so much, Ann, for your efforts. A warm thankyou from the visitors from the south for the warm hospitality afforded to us. Photos of the event are on the blog site for viewing now. (Apologies to Ed and Joan Collins as their photo was spoilt by the inadequate photographer [Secretary Reg] and could not be published).

Apologies were tendered by: Tim Barker, Shirley Barnett, Peter Clarke, Geoff and Heather Cowan, Maurie Miles, Bob Palmer and Warren and Elaine Reidel.

Kevin Cameron writes of the Riverina Chapter, "We held our Christmas lunch on Saturday 6th December 2014 with a very enjoyable 3 hours spent together. A lot of ground was covered with some having joined the Bank as early as 1951.

Those who attended were ANZROC members Keith and Dorothy Anderson (Temora), Robert and Jackie Stempel (Leeton), Chris and Gwenda Hardy (Wagga), John Gray (Wagga) apology from Norma, Colin and Jean Walker and their son, (Merungle Hill), Neil and Marie Murray (Cootamundra), Kevin and Jannette Cameron (Wagga).

I had apology from Mick and Norma Howard (Temora). I had a chat on phone with Mick and he is not well at all.

I also contacted Helen Mackie (widow of Ray). Helen is still living on property outside Young.

Our Canberra chapter held their Christmas function on 19th December and as always thanks go to Albert Orszaczky and Bob Dyer for their effort in organizing this event. Albert writes "The Canberra Christmas function was held last night and it was our first time at the Royal Canberra Golf Club in Yarralumla. It was a most enjoyable and successful event with plenty of positive comments from our attendees that numbered 23 in all." There were 22 apologies for the event.

STOP PRESS

Ray Brennan phoned to advise that Eric Harvey passed away this morning (Thursday 29th Jan 2015.) He was advised by Eric's son. The notice will be in the SMH on Saturday.

CORRESPONDENCE:

In response to Presidents Phil's email to Ron re his being awarded an OAM Ron Welsh says..."Thank you for your email and the congratulation contained therein.

I feel quite “chuffed’ at having been honoured by receipt of OAM but I also feel that it is a recognition of the valuable work done by Meals on Wheels services and the many, many volunteers associated with these services.

This could be an example of how there is life after ANZ Bank.”

Ron being presented with his OAM by NSW Governor Prof. Marie Bashir.

ANZROC Members comments re Ron Hayden:

Roy Crawford writes: I was not aware of Ron’s illness and am shocked. I succeeded Ron as Manager at Milsons Point and again when he moved from Nth Sydney to Brookvale as Relationship Manager. I almost bought from him that old white Mercedes he used to drive. We played a bit of golf together and he was a gentleman at work and play. RIP Ron.

Ray Brennan writes: Very sad to hear of Ron’s passing. As an old Scottie I knew him well. Ron was a very good golfer who played off a single figure handicap.

Allan Wiles Secy/Treas. ANZ ROC Qld writes: Would you please pass our sympathies on to Rosalind and her family from our Queensland members? We were so happy to read that she and family members had a lovely Christmas together. Our thoughts are with Rosalind and family at this sad time.

Irene Norris writes “So very sad to hear this awful news. My thoughts and prayers for Rosalind and family. Have so many fond memories of the years working with Ron. I did not know he was ill so this news is such a shock. RIP Ron a dear friend. Unfortunately I am unable to attend Friday as I am

having chemo treatment on that day. My thoughts will be with Ron's family and friends. Kindest regards"

Warwick Lyons writes "again another good guy ... knew Ron quite well and he spent some time I'm sure at Broken Hill in my time there."

Sorry to hear of Ron's passing. He was a great bloke and far too young.
Please pass on my condolences to his family as I will not be able to attend the Service.
Ron Miller

Rosalind Hayden writes:

".....thank you for your messages. The service went very well on Friday with over 250 people attending. Ron would have been very humbled if he had known so many people came. Regards Ros."

Phil Newsome writes of Paul Fleming "I knew Paul well and he made the trip to Port Kembla Golf Days on a couple of occasions."

Of John Bermingham:

Ray Brennan writes: "Very sad to hear. What a great guy. Worked for me in Asset Management just before his retirement. I remember well his retirement function. I gave him his watch which had come gift-wrapped from Melbourne. He opened it and found that it would not go and the warranty had expired - good old Group Personnel AHQ had struck again.+"

Gary Mason writes: "Sad news indeed I have very fond memories of "Bermo" from my time in Sydney during the mid-1980s."

Garry Attewell writes: "Sad news. I worked with John, when he was Accountant at Auburn branch, from February 1967 (Advance/Bills clerk) until April, 1969. He was hard worker and a quiet achiever".

Paul Jacka emails.... "I am now the proud owner of a Pacemaker! Sort of out of left field. The problem diagnosed last Tuesday, done the Thursday at 5.30 pm and home Friday 12.30 pm. Unable to drive for 2 weeks and Bowls out until the New Year.

I have been treated for vertigo for say 9 months, however over the past 3 to 4 months the dizziness and shortage of breath had become more frequent to the point that I had no confidence in taking trips to Sydney. It was recommended by my GP on 28/11 that I have a heart monitor attached for 24 hours. The rest is history. Problem was with the lower range of heart pulse. I am now the bionic man. I am advised that things will be as usual but yearly checkups re the battery life. A referral via Google is interesting. It seems like a dream. Regards to all."

Email from Mike Cunneen....."I have recently exchanged email with our member Lindsay McFadyen in which I thanked Lindsay for his kind donation to our Club and I asked Lindsay to give me some of his details as I did not know him when we both worked for the Bank. Lindsay now lives at the top of the mountain behind the Gold Coast in Queensland at a place called Eagle Heights (near Canungra and Tamborine Mountain...a lovely place.) He moved there when he retired from the Bank. He started with the Bank in 1955 at Bellingen and then worked at Campsie and Relieving Staff. In 1962 he was transferred to New Zealand for 3 years and then back to New South Wales where he worked at Double Bay, Yass, Leichhardt, Liverpool, then Accountant Sutherland, Maroubra Junction, Audit Staff and then to Esanda for quite a few years until he retired in 1995.

When he retired to Eagle Heights he started mowing lawns and gardening and eventually moved into general house maintenance for a Real Estate Agent until he retired again in March 2014.

I asked him to come to a lunch if ever he is in Sydney but he says he does not come back to Sydney these days. He says he is in good health (now aged 74) keeping quite busy doing maintenance on the house and grounds that were neglected whilst he was working. He passes on his kindest regards to all members and especially to those that would have known him from his time in the Bank."

From Betty Brown by email....."I was wondering if you might place this notice in the next copy of Newsletter. I knew Robyn from our time in the old Clearing Department and we have kept in touch over the past say, 58 years. She was well known to many from that era and then after merger, at Data Processing.....

It is sad to advise that Robyn Flanagan – ex staff member – passed away on 2/1/15 at Westmead Hospital. Robyn had many health issues over the past years however she still kept in touch with many ex bankies and still maintained her sense of humour and love of the occasional beer. Whilst Robyn was not a member of the Retired Officers Club, she enjoyed receiving copies of the Newsletters (courtesy of Robert Dwyer). Robyn will be well remembered by staff of the old Clearing Department and Data Processing as "Mum" or "Legs 11" as one of life's true characters. I will miss her greatly as will many other dear friends she made during her service with the Bank. Robyn was privately cremated on 7/1/15.Regards to everyone."

Treasurer Mike Cunneen emails....

An email from Geoff Hannan..."received an email from Neville Wilkinson re Ron Hayden's death!! Margaret and I moved into the United Care Retirement village Feb 2014. My health is not good, have macula degeneration, part blind in the left eye, Vision Australia is helping. I can't drive now but luckily Margaret can and we can get around locally to our children at Wyee, Kariong and Campbelltown. Don't play any sport, only exercise I get is walking my dog 600 metres daily.

Hope you all had a good Christmas and New Year. Kind regards and good health to all."

Happy & Healthy 2015 everybody
