**Of Willie Lutke-Schipholt**

**Reg Smeaton** writes: I had the pleasure of working with Willie at S(K&G) and again in Suva Fiji and he will be missed by all who knew him. As a young man Willie was a bit of a rev head and loved to talk of all things motor car, he had a technique of trapping you in a corner of the bar at the York Hotel and regaling you with stories of cars and their performance ad infinitum! To my chagrin, cars were not my favourite topic of conversation then or ever. On a more serious side he was a devoted family man and a gentleman in every respect. Willie always had a wry grin and the sense of humour to match.

**Mark Burns** writes: very sad news indeed. Worked with "Willie" for many years in our Trade days. The old team are starting to fall away.....

**Ray Brennan** writes: Very, very sorry to hear of the passing of my old mate from S (K&G) -- Wilhelm Jan Ferdinand Lutke-Schipholt. It was a joy to work with Willie – he hated a beer!!!! I well remember the train trip home after a very late K&G Christmas party, we had a bag of king prawns and a roadie for the journey. At Museum, there was a guy sitting on the station so we each threw a king prawn at him. What we did not realise until it was too late was that he was a copper in uniform.....change of carriage at Central was obligatory.

**David Wright** writes: I knew Will from several points (including K&G), the last one being Business Bank Southern Region. Always found Will to be very helpful with O'seas issues, & a really all round good bloke.

**Ian Stewart** writes: Saddened to hear of Willie's passing. Such a long illness. Worked with Willie at S(K&G) in the sixties and last caught up with him after many, many years at an International reunion at Parramatta some years back.

**Doug Russell** writes: he was such a character and on thinking back the last time I did see him was around 2010 at one of our ID reunions. We did have him & Marica up to our place with a few of the ID group for a lamb on a spit (Willie loved it) and it was the only time I met Marica, who was a nurse as well...such a shame and unfortunately too many old International friends are disappearing.

**Phil Cohen** writes: Very sad news. I worked with Willie for many years at S(P&H) when I was Manager Bills Dept and later Manager International Dept. Willie was in charge of the Foreign Currency Tellers as part of other duties. As the supplier of foreign currencies to NSW Branches and the clearance point for surplus foreign currency in NSW and because of the large volume involved in the early days of computers it was Willie who got the idea of using a computer for the foreign currency tellers. He was instrumental in helping an outside computer programmer write a programme and test it at S(P&H).

Following its installation AHQ seem to think it was a good idea and arranged for a machine to be installed in Melbourne, with Willie's assistance, and of course at later dates in other Principal City Branches.

**Of John Nicholson (JK)**

**Ron Miller** writes: John was a great bloke and I know he has had a hard time of it over recent years with the cancer. He will be sadly missed by all who knew him.

Well remembered by **Barry and Wilhelmina Smith**.

Very sad news indeed. JK was a well respected International Banker, a born Leader and a wonderful celebrant. John and his wife Margaret were down for Dick Hughes's funeral in May last where he caught up with some of his old Union Bank colleagues. Vale John Nicholson.

**Ian Auld** writes: This has greatly upset me. In the early 1950 John and I worked at Oxford Street and he came to live with our family at Earlwood for over two years until we moved to Campsie. I only spoke to him in hospital on his birthday, 28<sup>th</sup> October, when he said his medication no longer worked and doctors were looking at a new costly drug for his problem. We spoke at length but I had no idea this would be the end result. We have kept in touch over the years and I am saddened to lose a great friend. My thoughts go out to Margaret and family.

**Heather Riach** writes: Sorry to read of the passing of John as a few of us caught up with John and Margaret at Dick Hugh's funeral which was only a short time ago. This year has seen a number of the Pitt and Hunter Streets family leave us.

---

**Of Chris Boorer:**

**Graeme Bool** writes: Chris was well known in CBD for those who worked with him or knew him. 60 years is very young. RIP Chris.

---

from **Trevor Adams re Col Rolla:**

"...I am writing to say how sad my wife and I were to read of the death of Col Rolla. When I was transferred to relieving staff in the ES&A in 1952, my first relief was at Wauchope Branch where I first met Col and his future wife Daph. I think Bob Garret may have been the junior at that time. My next meeting with Col was around 1960 when I was transferred to the Bill Dept. at S(M&P). also in the department were John Heathwood, Tony Longhurst, Tom Morwick, Ron Tuckey as well as others.... Our families got together socially and a few years later I relieved Col when he was Manager Wellington. We also spent a family weekend with Col and Daph when he was Manager Mudgee. After retirement we visited their home at Valentine where Col had taken up woodturning as a hobby. He used camphor wood and the house had many objects that he had made from his hobby. I think he might have run out of room to put everything so he eventually gave up his hobby. I repeat what I said only two months ago, I will always remember Col with great fondness and I mourn the loss of a long time friend and work colleague.

**"Disorder in the Court".      Things people actually say in court:**

**ATTORNEY:** What was the first thing your husband said to you that morning?

**WITNESS:** He said, 'Where am I, Cathy?'

**ATTORNEY:** And why did that upset you?

**WITNESS:** My name is Susan!

---

**ATTORNEY:** She had three children, right?      **WITNESS:** Yes.

**ATTORNEY:** How many were boys?      **WITNESS:** None.

**ATTORNEY:** Were there any girls?      **WITNESS:** Your Honour, I need a different attorney

**Sick List:**

- **John Richardson** – John spent a few days in hospital recently having a shoulder replacement (his right one). He is at home now feeling a bit sore but sticking to his allocated exercise regime. He was booked to see his surgeon on 15/11 for a post-op. check, and he's confident all will be well. If he makes good progress with the right side, he will be lining up soon enough to have the left shoulder done. Bowls is obviously off the menu for a while. Good luck John.
- **Wayne Keihne** – Wayne has finished his radiation treatments and started immunotherapy . Best wishes Wayne.
- **John Turnbull** – John had an emergency visit to hospital for gall bladder surgery. He's now at home and is feeling better.
- **John Nicholson** – I began the preparation of my Sick List with a report on John after visiting him in hospital a couple of weeks ago. He had been admitted because the leukaemia drug he had been taking for 2 or more years had stopped being effective.  
And he was awaiting delivery of a new drug which was not available in NSW at the time. John had been put through the wringer since entering hospital with scans etc but he was in good spirits.  
As we now know John passed away on 8<sup>th</sup> November. He was a good man.  
Vale John.

**I made contact with the following esteemed Honorary Member members on the November Birthday List, and extended our best wishes for the day and for the year ahead:**

- **Olive Bourke** (91) – Olive sounded as cheerful as ever, and said she has “no problems” on the health front. She believes she kicked a goal with the choice of her hostel accommodation (not as good as living at home but good nonetheless). Olive said she loves reading our Newsletter each month.
- **Ron Bracken** (83) – Ron is “very well”, but is booked to have carpal tunnel surgery soon which may impact on his activities for a time. At the moment he is managing a couple of games of bowls a week at his local club. Ron extended apologies for being unable to attend the Newcastle end-of-year lunch
- **Lloyd Guthrey** (83) – via email, Lloyd said both he and Jan are in reasonably good health and they continue to enjoy life in Perth. Their sons both live in NSW and as a consequence they do travel east regularly to do family things. He congratulated the ROC Committee on a job well done (he's another who appreciates getting the Newsletter), and he sent best wishes to all.
- **John Hudson** (89) – I spoke with John's wife Joan (nee McEacheran and a 10 year veteran of ANZ in D/O). She told me that “John is not too bad”. Keep up the good work John.
- **Phil Meyers** (85) – Phil is “going great”, with a regular game of golf and a bit of time in the garden (he was filling a domestic requisition for some water sprinklers when I phoned!). Phil asked me to pass-on regards to everyone, particularly all his old ANZ sporting club mates.
- **Barry Smith** (83) – I couldn't make contact with Barry (apart from leaving him a phone message), but we've seen him at a meeting in recent times and he seems to be in the peak of condition. Perhaps he will present himself at this month's meeting, but if not we send you best wishes for the 21<sup>st</sup> Baz and for the year ahead.
- **Geoffrey Cox** (84) – Geoffrey has had a few issues in recent years associated with prostate cancer, but he is in remission at present. He still has his driver licence which means he can get around. He celebrated his birthday with family.

- **Jim Bickerton** (82) – Jim is keeping well and on the whole life is pretty good. He's still playing his regular game of bowls.
- **Ray Crompton** (82) – he is “as well as can be expected, but I can't do a lot of things I would like to do” (that last bit sounds familiar). One faculty he hasn't lost is his sense of humour – you're doing well Ray.
- **Bill Horton** (82) – Bill is recovering at home from back surgery. He spent a week in hospital and a week in a rehab. clinic. He is still undertaking rehab. sessions but he's hoping to be back on the golf course and in the gym sooner rather than later. Good luck with your recovery Bill.
- **John Leaver** (82) – John said he has had a few problems but is enjoying life. He continues his involvement with Probus and his church. John plans to spend Christmas with family in the wonderful city of Newcastle –John's old stomping ground.
- **Ivan Briggs** (83) – Ivan said he was recently hospitalised with a prostate issue, but he celebrated his birthday quite well on the bowling green. Sadly, his wife passed away in May and this has left a void in his life (understandably after 57 years marriage). Best wishes Ivan.
- **Bob Williams** (80) – I haven't been able to speak with Bob who is our latest addition to The Hons list. We hope you're well Bob and we send bestwishes for the 21<sup>st</sup> and for the year ahead.

## Letters from our Members:

Received from **Shirley White** (nee **Anderson**) of Kiama, former staffer and wife of member **Ken White**:

Dear Graeme Bool,

Well Graeme and all, referring to your June Letter, I'm one of those who wore the old uniforms “Bank of Australasia” 1950's. “Boy” I'm getting old. I worked at Cnr. Martin Place and George St. in Batching, Ledger Machinist, Bulk Billing and then upstairs with Mr Collins. Married Ken White who worked in the Bill Dept. last position Manager Campsie.

Well us girls Pat Kearney and myself sneaked out at morning tea time to queue for tickets to the youth ABC Concerts. So here we are (see below) sitting on the Town Hall steps and ended up in the midday paper. Well we were caught well and truly. Thought a few of your readers might get a laugh out of this one.

Ken and I really look forward to your Newsletters.

The Australian Broadcasting Commission provided cups of tea (right) for nearly 100 young concert-goers who have queued since 5 a.m. today for tickets to the 1953 youth concert series.

Three concert-goers arrived at 5 a.m.—Kevin James, Simla Rd., West Ryde; John Armitstead (20), Kenneth Rd., Baggowlah, and Mr. R. Hawkesford, of Pymble.

Those in the picture (above), waiting on the stairs, are (from left): Murray McGee (21), Watson's Bay; Stan Ritchie (17), Chatswood; Patricia Kearney (21), Haberfield; and Shirley Anderson (18), Panania.

**Bob Cook** comments on an article in the October 2017 Newsletter: **Alan Deveson's** 1955 Tamworth Branch photo on the last page brought back some memories. I subsequently forwarded it to my cousin, **Fred Studte**, who started there in 1957 and knew all those pictured. Alec Ryan, then a teller, went on to become the Accountant - he interviewed and hired me in December 1968. On **Ken Bargallie**, Fred tells me Ken left ANZ and purchased a large nursery at Wallsend but sadly drowned in a boating accident on Lake Macquarie.

(Thanks Bob, and to **Geoff Boyton**, who both responded to my query on Ken Bargallie. Ken was Advance Clerk 1 at KXS(W) when I arrived there from Bega as a raw country lad, a few days prior to the day pounds shillings and pence met their end. A very sad ending for a great bloke! *Ed.*)

Subject: Doug Dowling

Dear Noel,

I am trying to reach Doug Dowling who is a cousin. I now live in Los Angeles. I got your email from this newsletter. <http://www.riverbendnelligen.com/anzroc/anzrocmarch2013.pdf>

Doug was close to Peg Biffin, my late father's (John Farrell) sister. I last met Doug at Peg's funeral in Manly 20 odd years ago, where I eulogized.

My family is trying to understand who was in the attached obituary, as we believe it was our Uncle. But some facts don't make sense.

Is there any way you could forward this note to Doug, or one of his family members? I would be delighted to reengage this side of the family to say hello and perhaps better understand the family history.

Kindest regards,

Richard

# Who says men don't remember!

A COUPLE were Christmas shopping. The shopping centre was packed and as the wife walked around she was surprised to discover that her husband was nowhere to be seen.

She was quite upset because they had a lot to do and hence, she became so worried that she called him on her mobile phone to ask him where he was.

In a quiet voice he said: "Do you remember the jewellers we went into about five years ago, where you fell in love with that diamond necklace that we couldn't afford, and I told you that I would get it for you one day?"

The wife choked up and started to cry and said: "Yes, I do remember that shop."

He replied: "Well, I'm in the pub next door!"

**Place:** Royal Canberra Golf Club Bentham Street (Westbourne Woods), YARRALUMLA ACT

**Cost:** \$65 per person

**Dress:** Smart casual (NOTE: Denim or sneakers NOT permitted)

*We have again been allocated sole use of the Westbourne Room and will need to advise numbers in advance for catering purposes.*

The above cost will cover a pre-dinner drink on the balcony and a fine two-course set-menu Christmas meal.

As usual, we also intend to subsidise the cost of drinks from funds provided for our group each year by the Bank's Retired Officers' Club (ANROC). Perhaps we may again have a representative from their Committee to attend our function, and you are encouraged to consider becoming a member of ANZROC in view of the support they provide to us each year.

Please feel free to pass on these details to anyone you know who has not received this invitation but may be interested in attending, particularly any new retirees or those that may not have joined us for a while. We hope you can join us following the unfortunate cancellation of our mid-year function. We look forward to catching up with as many of you as possible to share some Christmas cheer and a few fond memories and tall tales from the "good old days".
