Welcome to our November & December 2023 NEWSLETTER

CLUB UPDATE

PRESIDENT'S REPORT

What a year we have had, all madly keen to recover our mojo after the Covid 19 Pandemic. What an experiment that was, with the attitude if this doesn't work, we will try this.

We have now come out the other end but having learnt many lessons by that experience, this current "wave" is so much less disruptive to business and people in general.

After the above, it is very pleasing to see the regional lunches resurging again, with some very good action by regional groups around the State.

Your Committee is pleased with the outcomes for the year, especially a nice surge in new memberships during recent months. This occurred as a result of some good marketing by several of our members!!!!. With Bank Assistance, the development of our ANZROC NSW Web Site is progressing well and it will be commissioned at some point in 2024.

Our Club and our Newsletter are what makes us, so I encourage you to be involved in the Administration, or in any way that you can help our wonderful Club. That being said, the financial subsidy from ANZ is an important factor in our survival and helps us to contain cost increases for our members.

I look forward to seeing those of you who get along to the Christmas Cocktail Function at ANZ Tower. My best wishes to you all for the holiday Season. Please enjoy. Noel.

INFORMATION FOR MEMBERS

NOTICE TO ALL MEMBERS: ANNUAL SUBSCRIPTIONS

For the last three years and specifically during Covid lockdown periods, the Club did not collect annual subs from members who would normally be required to pay under Club Constitution. In 2020 & 2021, the Club was unable to have our normal luncheons and functions. In 2022 we were able to have some functions and in 2023 we were gradually able to return to normality and held BI-Monthly luncheons at The Boutique Hotel in the City. Country centres were also able to recommence their luncheons.

All other State ANZROC's continued to collect annual subs from their members during these lockdown years.

As we move into 2024, the Club's Committee has agreed we will reintroduce our annual subs of \$10 for 2024.

This is a small amount for members to pay and gives support to the Club's operations.

NOTE.

Annual Subscriptions are payable by members aged under 80 years in terms of the Club Constitution.

Honorary members, Life members and widows/widowers of former members are exempt.

Payment of \$10 Subs directly into Club's Bank account is now due for 2024.

Details are: -

Bank	ANZ
Branch	Martin Place & Pitt Sts Sydney (Previously King & George Sts)
Account Name	ANZROC(NSW)
BSB:	012006
Account #:	008906464

If you pay via EFT, please record your name as reference. If you pay over the counter at a branch, please record your telephone number on your transaction as the reference, (the system will not recognise your name).

Many thanks to all members for their support of the Club.

NEW MEMBERS

Great news, we have had a further five members join the Club in the last month.

Jenny Crouch.

Jenny has just retired from ANZ after a very distinguished 42-year career with ANZ.

Jenny resides in Erskine Park and congratulations on a wonderful ANZ Career.

Gail Helt.

Gail's career with ANZ spanned from 1983 to 2019, a total of 36 years, another wonderful achievement.

She resides in Bulli and recently attended the Illawarra Christmas function arranged by Co-Ordinator Reg Smeaton.

Dolores Dajcic.

Dolores has only just retired from ANZ in October 23 after a career of 16 years and her membership application was obtained by our Life member Reg Smeaton.

We understand that Dolores' husband Michael is still working in ANZ after 40+ years service and when he retires, he will certainly also be welcomed to join.

Maria Nicevski.

Maria had an ANZ career of 25 years between 1972 to 1997 and resides at Blair Athol. Maria's application was also obtained by Reg Smeaton and she was a welcome attendee at the Illawarra Christmas function.

Tatyana Stevens-Joseph.

Tatyana had an ANZ career between 1974 to 1984 and resides at Tarrawanna a suburb of Wollongong.

Tatyana's application was also obtained by Reg Smeaton and she was also a welcome attendee at the Illawarra Christmas function.

A big welcome to ANZROC(NSW) to all five of our newest members and thanks to Reg for introducing Dolores, Maria, and Tatyana to the club.

BIT OF HUMOUR TO BREAK UP THE NEWS.

How is Christmas exactly like your job? You do all the work and some fat guy in a suit gets all the credit.

Why did no one bid for Rudolph and Blitzen on eBay? Because they were two deer!

Why don't you ever see Santa in the hospital? Because he has private elf care!

What's the difference between the Christmas alphabet and the ordinary alphabet? The Christmas alphabet has No-el.es

Why is it getting harder to buy Advent calendars? Their days are numbered!

How do you know when Santa's around? You can always sense his presents.

How did Scrooge win the football game? The ghost of Christmas passed!

What do you call an elf that can sing and dance? Elfis.

Where does Santa keep all his money? At the local snow bank.

What do you call a broke Santa? Saint Nickel-less

What do you call a bunch of chess players bragging about their games in a hotel lobby? Chess nuts boasting in an open foyer!

NOSTALGA

Member Andrew Hardwick sent these pictures of old ES & A at Broken Hill.

Andrew commented: -

Hi Graeme,

Members of the L.O.L.B. society may recognise this building. Taken from a Facebook page.

Andrew

Andrew thank you.

These photos will certainly stir a lot of memories from officers who served in Broken Hill in those days.

Member Shelby Mills sent the following picture taken in Cowra branch on 14/2/1966.

Shelby Commented: -

Hi Graeme

I found this old photo which I thought may be of interest to some of the members, It was 14 Feb 1966. The day decimal currency started.

Staff L/R Doug Cox, Tony Hardman, Robyn Pearce nee Faulkner and Bruce Andrews

The photo was before my time at Cowra in 1972, where I was the first female teller to work in the town at any of the banks. I had to stand on a box to work as the counter was too high for me.

Kind regards

Shelby Mills

Thank you Shelby, hard to believe that it is nearly 60 years since decimal currency conversion.

WELFARE REPORTS

Quick calls to some of the HONS who have birthdays in December 2023 and January 2024

PHIL COHEN.

DECEMBER 2023

John Becroft

Attempted to contact John on a number of occasions, without luck.
Left him a message asking him to contact me.

Vicki Croucher

Welcome to the HONS in December 2023.

Involved with Basketball NSW and Bankstown Associations, where she did work after leaving the bank.
Both involved with the local Probus Club. Has family locally and in Melbourne.
Will be travelling to Melbourne for her birthday celebration.

Colin Keegan

Health OK. Still playing 10 pin bowling. Still drives. Hopes to celebrate his birthday if family makes an arrangement.

Ella King

Health good. Since talking last year, she is now a great grandmother for the 2nd time in September.
Congratulations Ella. Had to give up golf temporarily back in November last year. Hopes to get back to golf in March 2024 in the cooler weather. Enjoys reading the NL. Smoke from bush fires has been a problem in her area during October.

Michael Letherbarrow

Has had a few minor procedures of late. Nothing serious, just what he calls mechanical repairs.
Likely will celebrate his birthday in early January 2024, as everyone is too busy towards the end of December 2023.

Rod Prosser

Had to give up golf three years ago with a hip and back problem. Was hoping the treatment would help.
However, unable to return to golf. Meets up each Friday with previous golf mates for a coffee and a chat.
Still mobile and enjoys looking after his vegetable garden. Will probably get together with family to celebrate his birthday and Christmas at the same time.

Jim Richards

When I spoke with Jim, he was just recovering from a case of Covid which laid him up for 7 days. Back twelve months ago, he had cancer removed from his earlobe. All good now following radiotherapy treatment. Healthwise his mind and body are all good. Mobility restricted to a walker or wheelchair following a stroke two years ago. Has ten grandchildren spread over QLD, NSW and VIC.
Will get together with some of the family for Christmas and his birthday. Has a son living not far away.

Geoff Sherwood

Welcome to the HONS in December 2023.

Health not too bad. Eyesight not good, but is still allowed to drive but needs a walker to get around for shopping etc. Family spread all over the place, but all coming together to celebrate his birthday a day late on Saturday 2nd December 2023.
Congratulations Geoff and enjoy the day.

Ian Stewart

Health all good except for "a few aches and pains". When I spoke with Ian mid-November 2023, he was about to go for his annual driving test.

Ian Urquhart

Health good. Enjoys time at the local Men's Shed four days a week.

WAL HARDY

Spoke with Wal on 9th November 2023, following his apology for not being able to attend the October 2023 lunch. It turns out Wal had a heart attack just before the lunch. He tells me he is feeling much better than before the attack caused by two blockages. This is not the first heart operation for Wal, as 26 years ago he had a triple heart bypass. He is feeling much better now, so is back at bowls and hopes to be at the Christmas cocktail function.

That's good news Wal.

JANUARY 2024

David Braidwood

Had difficulty contacting David on his landline number, so contacted him via e-mail.

I now have a mobile contact number. He also advises: "Thanks for getting in touch. I hope to make the Newcastle Christmas lunch. I'm keeping very well and actively sailing still. Best regards, David".

Greg Croan

Unable to contact Greg.

We have no telephone contact details, only e-mail.

E-Mail sent to Greg requesting telephone contact details to update our database.

Roslie Derrick

Welcome to the HONS in January 2024.

Health not too bad. Plays competition bridge 2-3 times a week plus golf each week. Will be celebrating her birthday with friends over three days. Also swims 0.5klm regularly.

Barry Gibson

When I asked him about his health, he said "can't kill weeds, still going strong". Downsized two years ago.

Now has only a five min walk to river cat, train or bus to the City. Involved with the Nth Ryde RSL and plays table tennis and tennis regularly. Will be at the Christmas cocktail function.

John Hillard

Health good. Plays bowls once a week with Tony Carter and Alan Edmonds. Much of his time is taken up with caring for wife Lyn who has cancer.

Bob Jennings

Health "not too bad". Still playing golf each Friday with three mates. Also helps with his son's plumbing business and involved with local Rotary.

Dick Mattress

Health good. Still playing bowls and golf every week. Also spends time gardening. Celebrated his 60th wedding anniversary back Mid-October 2023 with his two sons and daughter joining them for a celebration. Congratulations Dick and Joy a great milestone.

Eric Myatt

Eric has restricted mobility following his stroke in May 2022. Did a cruise back in January 2023. Wife Pam is his driver these days. Enjoys meeting up with friends at the Bowling Club on a Friday and has another friend who is 100 and drives himself to Eric's house on a Wednesday for a visit.

Irene Norris

Although health is OK, still having treatment for skin cancer. Enjoys the activities in the retirement village where she lives. Although mobility is not great, she is still able to drive and attend weekly yoga classes.

Nick Oglesneff

Health not too bad. Just the usual problems as you get older. Spends time looking after his garden. Only walks a few kms periodically these days other than when shopping.

Bruce Philips

Welcome to the HONS in January 2024

Health "not too bad". Had a rough three years with health until they discovered he was being over medicated. Once that was adjusted; all good now. Not long ago stopped working at a local business. Does a little gardening. Always ran in the City to Surf. However, knees not good now so does not run anymore.

Bob Ross

Health all good. Enjoys travelling in his caravan. Has covered 4 trips in past 12 months to Central and Southern NSW. Will have a quiet celebration for his birthday with family.

Tony Rowley

Health, not too bad other than suffering from Parkinsons. The good news is that the medication is helping, so It's not getting worse. He has six monthly check-ups to monitor progress. Has exercises to carry out also as part of the treatment. Still drives and plays bowls each week. Will be celebrating Christmas with his brother who lives on the Gold Coast.

TERRY AULD

Welfare Officer Terry has advised he is still awaiting responses from a few of the members he has contacted and due to personal matters has not submitted a report for this NL.

Terry said he will fully cover all in next NL January 24.

COMPLETED FUNCTIONS

Far North Coast Ballina.

Co-Ordinator Brian Rawle advised: -

An enjoyable lunch was had in Ballina on 9th November 23 at the Cherry St Bowls Club. All are looking forward to next year's as it will be our 50th year of luncheons held in Ballina. So, we are hopeful to see as many ex-bankers as possible. Date yet to be set but looking at mid-November 2024.

Brian Rawle

Many thanks Brian and great to see that members and partners had an enjoyable luncheon in Ballina on 9th November.

Best wishes to all up your way for a happy and safe festive season.

Newcastle.

23rd November 23, Cardiff RSL Club.

Co-Ordinator Ken Dighton provided the following resume: -

"A dull and occasionally rainy day (unusual for Newcastle!) had to be contended with by the 25 Members and partners, and one Visitor (Brent Hale – son of Ed and Ros.), for the end-of-year Newcastle lunch. Fortunately, the rainy patches did not cause any great inconvenience for our guests. The numbers were down a bit on usual, but we did have twelve apologies sent in.

A couple of these were due to hospitalisations (Peter Willis and John Burke) and recent illness (John Ball). We extend best wishes to all those on the sick list for good recoveries.

We also welcomed some "dignitaries" from out-of-town, including ANZROC(NSW) hardworking Secretary Graeme Bool.

Geoff Boyton formally welcomed everyone, and Ron Welsh gave a heartfelt eulogy for our good mate and longstanding "worker" for the Newcastle ROC sub-branch, Jim Richardson who passed away in August. It was great to see Jim's widow Cheryl back on deck and lending her usual willing hand by organising the lucky-door prizes.

All-in-all, it was a happy group who all seemed to once again enjoy each other's company and the Cardiff RSL buffet."

Photos were taken on the day by Ken and a full set is up on the website for viewing.

A few are included in NL.

NOEL & BETTY COOK

EVELYN GOLDSTEIN CHERYL RICHARDSON

JEAN MABER LINDY DIGHTON

ILLAWARRA 26 NOVEMBER CONISTON HOTEL.

A good day was had at the Illawarra gathering on 26th November 23, with 55 attending, 34 of whom were members of ANZROC (NSW), together with their partners or friends. Apologies were given for Noel Bottrell, Noel Pratt, Pat Walsh, and Barry Booth.

It was great to see Earl Cochrane back after a long break away on the North Coast, Geoff and Robyn Taylor, Peter and Jean Maber, Ken and Lindy Dighton, Peter and Cathie Robison and Graeme and Judith Bool attended from outside the Illawarra due to some very long-term old connection to the area and their efforts in making the journey is much appreciated. There were a lot of new faces who attended, too many to mention individually, but it is hoped they enjoyed themselves sufficiently to line up for a rematch next year. Happily, our membership also has grown by four new members and a warm welcome is extended to Tanya Stevens-Joseph, Gail Helt, Chantelle Fransisco, and Maria Niceveski.

The food was good, and the chatter was incessant and noisy with the usual reminiscing, exaggerations and recounting of funny or ironic or outright outrageous behavior of our peers over a long time kept all amused throughout the afternoon. Photographs have been placed on the ANZROC (NSW) blog site for those who wish to view them.

A warm thank you to Laurie Sainsbury, who acted as spokesman on the day with announcements and apologies etc. Graeme Bool also spoke on behalf of the ANZROC (NSW) Committee, where he thanked the Illawarra team for their attendance and the organizers. He also mentioned the strong support we receive from The ANZ Bank under the direction of our CEO Shayne Elliott, who has been a strong supporter of the Retired Officer Clubs throughout the organization.

A few photos from the day. The full set is up on the web site for viewing by members.

Lesley and Vic East

Michael Dajcic, Peter and Kathy Rutledge

Helen and Phil Newsome

Reg Smeaton, Dee Kornacki and Annette Osmond

Geoff and Robyn Taylor, Lindy and Ken Dighton

Cathie Robison, Jenny Osmond, Sue Miller and Jerry Kornacki

On George McKInnon.

Charles Ross wrote: -

Hi Graeme,

Read of the passing of George Mackinnon in Newsletter received today. Sad to hear it.

My wife and I have our joint bank account at Hurstville despite living in Brisbane now. Even though we banked there during the time George was Manager I did not have a lot of contact re banking. My contact with George was during a period when both George and I were active members of the New South Wales Cricket Umpires Association.

We occasionally umpired together and for a period were joint Auditors of the Association Annual Financial Accounts.

He was a good Umpire, no doubt a good Branch Manager too, and a gentleman. Even though players even then tested that aspect of our character at times. Was a pity he did not achieve 100 not out.

Thanks Graeme,
An impressive list of regional Christmas luncheons.....well done to all involved.

To all our Hon's who are celebrating a birthday in December 23 & January 24.

RESPONSES RECEIVED FROM HON MEMBERS GENERAL OR WHO HAD BIRTHDAYS IN OCTOBER & RECEIVED BIRTHDAY CARD WISHES FROM THE CLUB.

Bernadette Mickle wrote to Welfare Officer Phil.

Many thanks Phil. Bernadette Mickle (formerly Gaughan)- Canada.

Colin Stoner.

Welfare Officer Terry Auld recently tried to ring Colin to wish him a happy 86th birthday back on 27th August but had no luck in contacting him.

Colin has since read the monthly NL and responded: -

Terry, all fine, been in Broken Hill for last few weeks, on old bike ride.

Colin great effort to be still riding a push bike at your age.

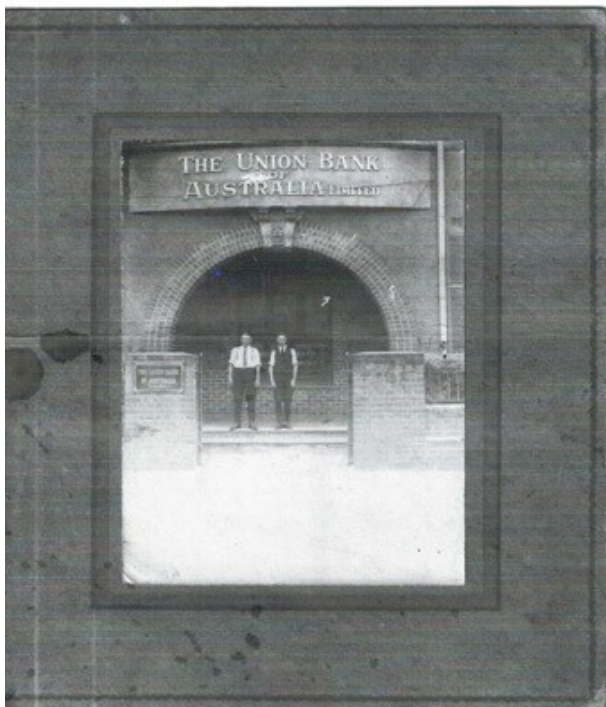

Colin has also sent me the following article on his fathers and his original Union Bank and then ANZ career: -

I was born 1937 Mosman, dad was at S P&H. Casino was I think his first branch and we left when I think I was 5. I can just remember there, for instance he would feed caught flies to Chugerum a big green frog. We were on holiday at Shelly beach Ballina when requested to contact branch as he was transferred to Hay. We immediately went back and packed. Funny I can remember the coach with a duck back and driver would cart baggage up back ladder to top. They packed and caught train to Sydney then Hay. Mum sat up all way as sleepers reserved for troops. Dad had applied for service like his brothers but knocked back as essential services. Mum had my brother Ian a month after she arrived.

Hay was in the grip of a 6-year drought that was affecting Australia's war effort. The cockies were in trouble, no saltbush no grass no sheep. I have wondered how they kept their essential dogs as there were no roos. Dad evidently was lending money unsecured for sugar flour etc. I can remember Mum putting the tablecloth over the plates of food in dust storms. When we had a few inches of rain Wally Rees of Chillichel came in and asked for the money to buy 500 sheep and when it continued another 500 this time twice the money. Through their children they are still friends. Somewhere in this mix Dad received an audit and I understand got, I am sorry John but I must report you for lending money unsecured. I guess there were a number. In my service in ANZ someone told me -

"Your Dad was in a lot of trouble down at Hay'. Now every banker knows that TIMING is the most important thing in life and Dad received a transfer from the small town of Hay to manager of the City of Wagga Wagga, then later to Parramatta where fortunately as no bank premises he purchased a house and I started high school.. I would like to add that I have enjoyed every minute of Union bank ANZ bank and beyond in life and now 86 still enjoying a ball and a beer but sometimes it's a red wine. Colin Stoner.

ON 20th OF APRIL 2011 I FOUND BOTTOM OF ORIGINAL DAD JOHN STONER ON LEFT WITH I GUESS ACCOUNTANT.

Colin also mentioned he read the latest NL and comments by Karl Mizens and said good article and knew him well. Colin thanks very much.

Great memories.

Members, that is our November December NL, please enjoy the read and stay safe and well.

Merry Christmas and Happy New Year.
